Standard Patterns at Perry's

The excellence of Standard Patterns has been maintained over twenty years. While thoroughly up to date in design they have a simplicity of construction so that even a novice in sewing Vaughan Store. can put them together. Their seams allowance renders it impossible for any one to fail in fitting garments made by them. The instructions which accompany the Patterns are expressed in clear, brief language.

when spring opening will be in order. We do not want to know when that time comes. What we want is to have our trade so well started that we will see no change even for the better. To accomp ish this we have taken the greatest care in the selection of our spring stock and are having our goods shipped earlier than usual to give the early buyers the best possible assortment to select from. A visit to our store will convince you. AS TO PRICES, we will leave that to you to be the judge, but let us say right here, that never before in the history of our buying have we been so well satisfied with the prices as compared with the quality of goods. Come and see if we have been deceived.

Our New Mattings are of the first goods to arrive. Samples are ready for inspection.

Young Canadian Deals Death to Two and Injury to Three.

Shelbourne, Ont., Feb. S .- Two persons dead and three so seriously injured that their recovery is doubtful, s the result of murderous attacks made yesterday by George Stewart, a young farmer of Maple Valley. Stewart, who is mentally unbalanced, was staying with his brother at Reddickville, about 12 miles from this town, started out in the early morning armed with a rifle. His brother attempted to restrain him and was attacked and beaten but not seriously. Stewart then went to the home of John Spanhouse, residing near Shrigley, and en-tering the bedroom fired at Mrs. Spanhouse twice, wounding her in the eye and arm. Her husband rushed to her assistance and was shot dead. The son James, who was sleeping un-stairs came running down at the sound of the shots and Stewart, whose rifle was emp" ty, beat out his brains with the butt

Stewart then started for his own home but stopped on the way at the house of Edwin Pounds who at the ne was absent. Here he attacked the hired man, George Beaumont, and the housekeeper, Mrs. Gowans, with the empty weapon beating them both unconscious and fracturing the hired man's skull. He then fiel to his father's home at Maple Valley, where he was arrested yesterday afternoon and lodged in the jail here.

At the opening of Friday afternoon's burg Post. ession of Addison county court, seners.
